Q5 - Additional Comments or Feedback (please be direct, specific, and constructive)

Additional Comments or Feedback (please be direct, specific, and constructive)

I like the specific steps of preparation that went through, along with the worksheet.

Chalk talks definitely relevant to med ed firm, can possibly give an example of how you'd lay out a chalk talk

Simple, streamlined info. Would like more time for questions from the audience

Good to ask audience for examples of good chalk talks

Loved it! Thank you for the tips
